EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ryan Dodge on May 28, 2004.

The application has been amended as follows:

Please amend claim 1 (version showing changes)

1. (Currently amended) An atherectomy device for ablating an occlusion in a patient's vessel, comprising:
a flexible drive shaft;
an ablation burr rotationally coupled to the drive shaft, the ablation burr having a proximal end including at least one flexible annular disk having a center hole and an outer edge, the annular disk having an abrasive disposed on a forwardly facing surface and a distal end comprising a nose member having an abrasive leading surface; and
a catheter extending over the drive shaft, the catheter adapted to slidably receive the at least one flexible annular disk in a folded configuration, wherein portions of the flexible annular disk are rotated approximately 90° from an unfolded configuration;
wherein the abrasive comprises a plurality of diamond particles affixed to the forwardly facing surface of the flexible annular disk.

Cancel claims 27-32.

Formal drawings are requested.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kathryn Odland whose telephone number is (703) 306-3454. The examiner can normally be reached on M-F (7:30-5:00) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Henry A Bennett can be reached on (703) 308-0101. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
